As a facilitator, you can influence whether a team sees an uncomfortable moment through or misses out on the opportunity to grow. *The Five Behaviors of a Cohesive Team™* is different. Sessions can get heated. Participants can become emotional. The team leader can be defensive. Timelines and scripts can get thrown out the window. You're in a position to influence whether a team sees an uncomfortable moment through or misses out on the opportunity to grow.

The Five Behaviors of a Cohesive Team **Facilitator Accreditation** will help you hone your instincts for when to stick to the agenda and when to improvise, when to let a debate play out and when to cut it short.
