

Join us for our next **Everything DiSC® Certification**, an intensive a two-day course held in Minneapolis, MN. A blended learning approach gives participants the skills and credentials to confidently bring Everything DiSC into their organization. Completion of this course signals a proven level of capability and knowledge in the Everything DiSC profiles and research—and the ability to directly impact the success of individual, team, and company goals.

Learner Take-Aways

- **Deepen knowledge** about the theory and research behind Everything DiSC, including using the research to address common questions others may have.
- **Experience first-hand** the Everything DiSC assessments and apply personalized profile results to real-world scenarios related to leadership, management, sales, and communication.
- **Develop expertise** working with a variety of Everything DiSC assessment tools, including Workplace, Management, Sales, Work of Leaders, and Everything DiSC 363 for Leaders.

Upon successful completion of the course, receive the credential of **Certified Everything DiSC Trainer!**

Dates*:

- **Everything DiSC facilitation kit*** of your choice (kits include customizable presentations, video, handouts, learning activities and follow-up materials).

**If you already own an Everything DiSC facilitation kit, discounts are available.*

“This certification helped me see how many different ways I can leverage Everything DiSC in my organization to get the best results for our company.”

—HR Manager

“I walked away with so much more than I anticipated—even the research and validity were presented in an interesting, easy-to-follow, relevant manner.”

—Executive Trainer

“This is the first training session in quite some time where I wasn't bored or clock watching. Credit to the great content and facilitators!”

—Instructional Designer
