

Make Smart Talent Decisions Elevate Performance

**Become a Certified Expert Practitioner
& Get the Most Out of PXT Select™**

You know the value of PXT Select™ extends well beyond hiring. You've witnessed how it amplifies your ability to make informed talent decisions that drive results and support individuals for long-term success and engagement. You realize that when people fit their roles and have the support they need to excel, your company's foundation grows even stronger.

**So how can you maximize the benefits
of PXT Select for your organization?**

Here's how.

Through the PXT Select Expert Practitioner Certification program, you gain the knowledge, expertise, and strategies to fully utilize PXT Select as a comprehensive talent management tool. As an Expert Practitioner, you become your organization's trusted advisor for making informed talent decisions that drive long-term business results.

Program Participants Learn:

- How PXT Select supports an organization's talent management strategy
- Methods for using the PXT Select assessment, performance models, and suite of reports for talent selection and development
- How to implement the PXT Select solution with confidence to architect a high-performing culture that drives results

Program Components:

- Self-paced, online learning paired with a live virtual classroom experience
- Three 90-minute virtual sessions over three weeks
- Small-group work and discussions to explore real-life scenarios
- A capstone presentation project to synthesize your learning
- A final certification exam
- Upon successful completion of the program, you receive the credential of PXT Select Certified Expert Practitioner

Now a SHRM Recertification Provider

PXT Select now offers SHRM credential holders the opportunity to earn 12 professional development credits (PDC) from the Society for Human Resource Management when they complete the PXT Select Expert Practitioner Certification program.
