

**TAG** is a unique cloud-based library that provides thousands of award-winning training components – right out of the box! The power of TAG<sup>®</sup> is in the benefits it delivers to your organization. Chief among them are **reduced training deployment time and a greater return on your training dollars.**

**Distributed training has never been easier!** TAG allows 24X7, immediate access to powerful, flexible training assets. No shipping materials. Just download, organize & train!

## Easy-to-Browse Learning Paths

In TAG<sup>®</sup>, training content is broken into five key learning paths, including:

- ★ Ethics & Compliance
- ★ Diversity & Respect
- ★ Leadership
- ★ Personal Performance
- ★ Workplace Safety

## Modular Content Means Fresh Training.

Build your own training or blend TAG<sup>®</sup> content into existing training. With TAG, you don't need to worry about where your next video or case study will come from.

### Content Curation/Aggregation

5300+ Training Components (1000+ hours of content).  
 Video clips & training tools work on any platform.  
 New content added weekly.

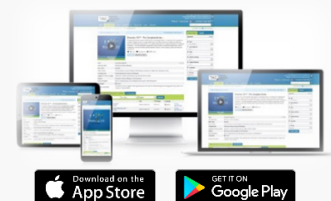

## Award-Winning Content

- ★ Ready-to-use, off-the-shelf training solutions with specific learning objectives.
- ★ Short thought-provoking videos using music, animation and graphics to instruct, inspire or stimulate discussion.
- ★ Case studies with real world scenarios with discussion questions.
- ★ Stand-alone activities to reinforce skills and add variety or depth to existing curriculum.
- ★ Ancillary items to support and reinforce training initiatives.
- ★ Access to our SME video library and documents for training ideas and support.

## Mobile

Take TAG<sup>®</sup> on the go with our mobile app. Immediate access to award-winning instructional design, allowing easy-to-build, customized, client-impactful, training.

### Flexible Licensing

Select from partial licenses, full annual licenses, and multi-year licenses.

### Complete Support

Training specialists help you maximize your TAG<sup>®</sup> investment by offering suggestions and best-practices.

## EVOLVING CONTENT.

As a TAG<sup>®</sup> user, you'll be able to select from nearly 80 training topics – from harassment prevention and leadership to personal protective equipment. And new content is added weekly!
