

ADVENTURES IN ATTITUDES® An Individual Empowerment Event!

Coping with the continuous changes of the downsized, reengineered, team-oriented and increasingly complex workplace has many people confused, fearful and suspicious. As our attitudes deteriorate, so do commitment, loyalty and most importantly, performance.

Adventures in Attitudes® is a journey that begins with seeing the possibilities, not just the problems. This is an upbeat, nurturing and progressive event.

Learners move through 10 critical areas: effective listening, developing communication skills, attitude awareness, dealing with emotions, understanding people, attitudes of personal empowerment, creative problem solving, team building strategies, motivational power, reaching your potential.

*Say "yes" and discover the power within you to change your attitudes, your work, your relationships and your life...for the better. **Say "yes" to Adventures in Attitudes®.***
