

NEW Meeting Openers

New titles in the award-winning Smart Start™ series

Here is a collection of videos that will provide the perfect beginning (or ending) to any of your meetings or training sessions. In just four short minutes using music, animated text and graphics, these thought-provoking programs will instruct, inspire, and definitely generate discussion. Use these SmartStart™ and other great meeting opener videos to “warm-up” your audience and prepare them to hear and retain your message.

New! SMART-START™ Respect Meeting Opener

It Takes Just A Little Respect will inspire your employees to consider their part in creating a respect-filled workplace. Show this with *M.E.E.T. On Common Ground*, the hottest new video on workplace diversity—or in any training session on respect and communication.

New! SMART-START™ Coaching Meeting Opener

It Takes Work! is the ideal opener for any training session on coaching, leading, or communicating with employees. Your managers will be encouraged to think about the power of clear, two-way communication and their role in coaching employees to grow and perform. Ideal for use with the award-winning program *The Courage to Coach*.

New! SMART-START™ Sexual Harassment Meeting Opener

It's Everyone's Responsibility helps to build awareness and communicates the importance of knowing sexual harassment when you see it, understanding its negative impact, and your role in preventing it. This SmartStart™ is ideal for use with *Sexual Harassment: It Can Happen Here* or any session on preventing harassment.

SMART-START™ Motivation Meeting Opener

Viewers will gain new perspective on setting and achieving goals. This is the perfect opener for the goal-setting video *Motivation: dream it. walk it. believe it.* or ANY session where you want employees to feel motivated and inspired. *Selected by Training Media Review as one of the Top 10 Training Programs of 2000.*

SMART-START™ Attitude Meeting Opener

This video helps employees see how workplace attitudes affect relationships and companies. Great for training on attitude, conflict, communication and more—perfect when paired with *Bad Apples: How To Deal With Difficult Attitudes*.

SMART-START™ Employment Law Meeting Opener

The Manager and The Law is an invigorating introductory video appropriate for training sessions focused on key workplace legal issues. Viewers feel the impact of powerful statements and informational tips that relate to their role as a manager. Also a great way to start training for *It's the Law* or any *Legal Briefs* title.

“I wish my manager would just...” Meeting Opener

More than a thousand employees were asked to complete the statement, “I wish my manager would just...” Some answers may surprise you, while others will seem simple, but they *will* get your audience thinking. This is the perfect kickoff for any management or leadership session.
