

STEPHEN COVEY ON LEADERSHIP

THE BEST OF STEPHEN COVEY'S LEADERSHIP PRINCIPLES

Does personal leadership play a role in an organization's success? Dr. Stephen Covey, internationally respected leadership authority, lends his insights to this memorable program. Covey's thought-provoking ideas and other famous quotes share the screen with workplace scenes and images of nature's beauty, all gracefully enhanced by music. This inspiring short program is ideal to kick off or close any leadership development event.

About the Program:

Audiences will embrace the powerful principles of leadership presented in ***Stephen Covey on Leadership***. Composed of meaningful thoughts and quotes from internationally respected leadership authority, Dr. Stephen Covey, participants will discover that the leader of the future will be a leader in every area of life. This inspirational message is carried throughout the short program with awe-inspiring images of nature's beauty, memorable music and quotes about:

Aligning your life with your vision and values

Showing trust

Focusing on doing the right things

Balancing priorities

Staying opportunity-minded

Participants take part in an in-depth discussion about how to implement Dr. Covey's leadership philosophy. After all, Dr. Covey has been bringing his leadership philosophy to organizations—and making a lasting impression on audiences around the world—for years! Here are some sample quotes featured in the program:

- *The leader of the future will be a leader in every area of life*
- *Personal leadership is not a regular experience*
- *Seek first to understand, then to be understood*
- *Begin with the end in mind*
- *You can't have empowerment without first having trust*

Target Audience: Managers and Supervisors

Course Length: 1 Hour
